Bunting

1. Print as many copies as you need.
2. Cut out the flag shapes using scissors.
3. Pierce the marked holes with a hole-punch or scissors carefully.
4. Thread string, cotton or ribbon through the holes as illustrated...

Hands on for Hearts

St John Ambulance Cymru

Hands on for Hearts

Tip: To prevent the flags from slipping use a little sticky tape on the back.

Tip: If using the bunting outdoors, maybe you could print onto plastic paper, or laminate the flags for protection against rain.
