

Head of Operational Support

Full-time, permanent

Salary: £48k - £52k

Hours: 35 hours per week

Location: Flexible/pan Wales

St John Ambulance Cymru are offering this exciting opportunity to join our team as a talented and experienced Head of Operational Support.

This role will be critical in ensuring the successful delivery of services, offering a positive and productive volunteer experience whilst ensuring we hit our organisational strategic goals and objectives.

The Head of Operational Support is the key to this success and is responsible for leading a blended team of people to ensure the best possible delivery of fleet, logistics, properties and Health and Safety, to support operations across the whole charity.

Working closely and collaboratively with other departments, the postholder will be responsible for the professionalisation of the asset register, ensuring that equipment is suitability specified, fit for purpose, serviced and maintained properly. This function is key to effective operational delivery and increased efficiency for the charity.

In addition, the Head of Operational Support will be responsible for creating a climate and culture which enables staff and volunteers to realise their potential within a supportive, safe, continuous improvement and learning environment, conducive to positive levels of health and well-being.
